MORE ABOUT BOOM

Boom Cards are interactive**, self-**checking digital task cards that require **NO-PREP.**

Please **READ BELOW** to understand how **Boom Cards™** work! This PDF file contains links to the decks on the Boom platform. Once there, you will click on the links and add the decks to your Boom library.

Boom Cards™ work great on ipads, Chromebooks, Kindle Fire, interactive whiteboards, even your phone!

WHAT IS NEEDED:

★**Boom Cards™** are used on the Boom Learning℠ platform. You **must** be connected to the Internet. Boom Cards play on modern browsers (Chrome, Safari, Firefox, and Edge). Apps are available for Android, iPads, iPhones, and Kindle Fires.

★When you click on the link to preview my task cards, you will be directed to the Boom Learning website, where you'll be prompted to sign up if you don't already have an account.

★If you are new to Boom Learning, you will be offered a **free** three-month trial of their premium account. You will be able to assign the Boom Cards you are buying with "Fast Pins," (play provides instant feedback for self-grading Boom Cards).

★If you choose not to subscribe to Boom Learning at the end of your three-month trial, you will still be able to use Boom Cards with their Fast Play feature. Fast Play is always a free way for students to engage with Boom Cards decks. For tracking student progress and additional assignment options you'll need a premium account.
