Many Kinds of Matter

Draw a picture:

Draw a picture:

Use the selection to answer the different questions.

Name: Millie

Print two-sided and fold like a brochure.

Many Kinds of Matter

Use the selection to answer the different questions.

Name: Millie

Describe what matter is below

Everything that is a mass around you that has volume.

What are the three kinds of matter?
solids, liquids, and gas.

Draw a picture of something that is matter:

Draw a picture:

What can liquid take the shape of?
whatever container you put them in.

You could use this a couple of different ways; you could have them do it together in small groups or you could also use it as an informal assessment at the end.
