Using commas Interactive Journal Page

Why do I use commas?

When do I use commas?

How do I use commas?

Directions: Have students cut out, and glue in their journal. They answer the question under each flap about commas.

To tell the reader where to pause, a comma also means the meaning of the sentence more clear.

Bird conclusion craft

Directions: Have students fill out the detail and conclusion pieces. On the conclusion part they will also need to draw a picture to match. Print all pieces as specified on outline pages.
