

## Activities

## Two of a opposite! Antonym Craft Activity

When printing out the sheets for this craft you can either; I) print them on white and have the students color them in or 2) Print the pots on black paper and the coins on yellow. Students practice writing antonyms. They will put the opposite in the other pot. When they have completed the craft have them see if a friend near them can see all their Antonym Matches!

## RORERERERERERERERERE

Possessive Pronoun Interactive Journal Page

This an interactive journal page where students can list plural and singular possessive pronouns. I also made them big enough so they have space to try one of them in a sentence.
