Where does your Heart lie?

Common Final Blends: ng nd nk nt

Directions:
Match each Valentine kid to the right heart
by matching it with the correct final blend.
Then record your answers.

The Sequence of a Love Story

Practicing Sequence of Events

Directions: Put the Valentine story in correct order then record it on your recording sheet.

Loving Abbreviations Memory

Directions:
Place all cards face down. Take turns trying to make a match. For every match record it on your recording sheet.

Pairing Off Consonant Blends Go Fish Game

Working with r, l & s blends

Directions:
Each player starts with 3 cards. When it is your turn ask a another player for a card. If they don't have it then they will say "Go Fish". You then must draw a card from the pile. It then will be the next players turn. If you get a match then you get to go again. Record all the words when you are done.

Cause + Effect Love

Directions: Match the two cards that go together then decide which one is the cause, and which one is the effect. Then record your answers.

Jean gave Billy a Thank You note for the balloon.

The class brought a Valentine for everyone in the class.
