How does it work?

- Everything is a google slide document for the students
- You are provided with a PDF with clickable links to the activities. You will click the link, make your own copy, which you can send out and assign to your students. For Seesaw, make sure you are logged in, click the link in the Seesaw pdf and add it to your library.
- The PDF also contains answer keys to all the move and place activities for that lesson

What Activities are in each lesson?

7&8. Comprehension- This depends on the story. Below you will see examples from Henry and Mudge. One will always be a focus with what the main comprehension strategy is of the week. The second activity will vary.

SEQUENCE OF EVENTS WITH HENRY & MUDGE

Move and place the events into the correct order.

1	Henry wanted a friend and asked for a dog.
2	
3	
	When Mudge was done growing he weighed 180 pounds.
	Mudge licked Henry.
	Henry searched for a dog that wasn't curly haired or pointy ears. He found Mudge.
	Mudge grew.
